APOLLO™ EXPERT D300

3.5" External Hard Drive

UPGRADE TO SUPERSPEED 3.0!

Whether using a drive personally or professionally, backing up your desktop to an Imation Apollo Expert D300 hard drive delivers high-speed protection for valuable documents, photos, videos and more. With 1TB, 2TB, and now 3TB of capacity, Imation's Apollo Expert D300 provides ample storage for the most data intensive applications. SuperSpeed USB 3.0 technology moves data up to three times faster than USB 2.0 drives—yet still USB 2.0 compatible. The industrial design and included stand make the Apollo Expert D300 a stylish addition to any desktop at home or at the office.

Apollo Expert D300 hard drives are equipped with ArcSoft TotalMedia® Backup software to schedule, automate and individualize backups to the drive. Plus the Apollo Expert D300 hard drive adds an extra layer of protection and online access to your data with a 60-day trial of Norton™ Online Backup.

FEATURES + BENEFITS

USB 3.0 INTERFACE — Moves your data up to 100MB per second; backwards compatible to USB 2.0 interfaces.

BACKUP SOFTWARE — ArcSoft TotalMedia Backup makes scheduling, backup and restore as simple and automated as you want it to be.

NORTON ONLINE BACKUP UTILITY TRIAL — Secures and lets you access photos and files online anytime, anywhere.

REMOVABLE STAND — A satin black removable stand offers vertical or horizontal placement.
